National Criminal Background Checks for Church Volunteers and Employees

Your Internet partner for affordable and instant National Criminal Background Checks for church volunteers and employees.

## \$10.00 National Criminal Background Check

### We Keep it Simple:

- One national criminal background check for each of your volunteers and employees
- Delivered to your email in-box instantly
- \$10 per volunteer
- No sign up fee
- No hassles

(Additional research may be necessary for convictions in some jurisdictions, which may result in additional charges.)

### Affordable, Instant, Comprehensive

... to help you protect your congregation.

Church-Screening.com is committed to providing an affordable, automated, online criminal background check for church employees and volunteers. Our use of technology results in instant online background checks of employees and volunteers to help safeguard your programs.

As we continue to soar into the DOT COM era, Church-Screening.com recognizes the importance for organizations to attain vital information as rapidly as possible.

### Do you know???

- 3% of all applicants that are screened have something in their past that would disqualify them from working with youth and children.
- Other youth-oriented organizations screen their employees and volunteers ... if you were looking for access to children, where would you go?
