

# Youth Worker Training for Sexual Abuse Identification

**“To protect our Children and Youth”**

**Online training modules for your staff and volunteers  
\$5.00 per module**

- *The most common abusers of children are acquaintances of their victims.*
- *Child advocates commonly claim that one in four women and one in seven boys are sexually molested before their 18<sup>th</sup> birthday.*
- *We provide your church with quick and thorough training to help identify this problem within your church ministry.*
